Dear Ms. Young:

Re: Review of the Public Interest Disclosure of Wrongdoing Act (PIDWA)

Since my letter to you, dated April 14, 2023, setting out my comments and recommendations for changes to PIDWA, I have had the opportunity to consider this matter further.

As you will remember, I provided my responses to the PSC's Phase 2 discussion questions, my five recommendations and an Excel spreadsheet containing a line-by-line review with my comments.

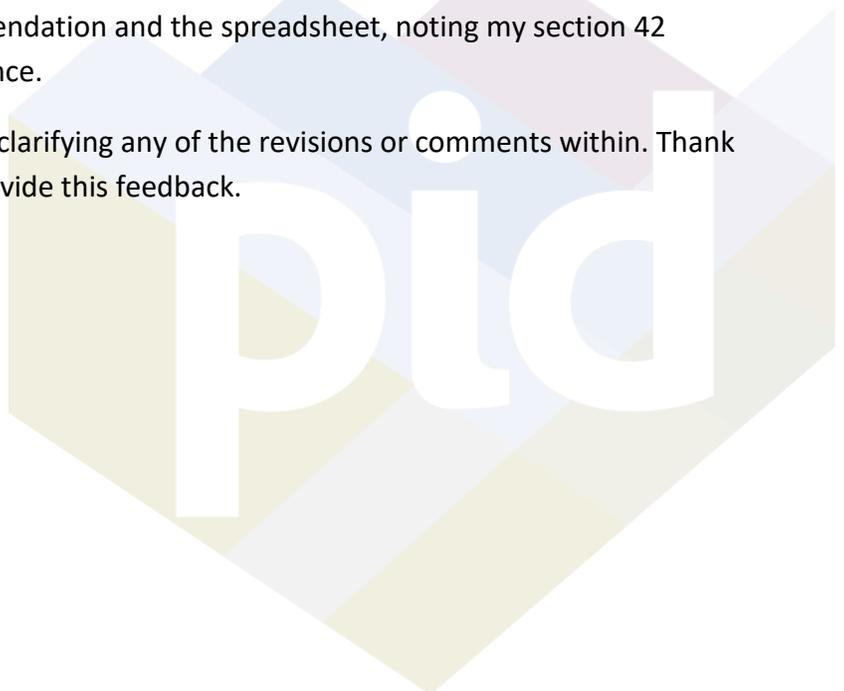

In the interim, I have reconsidered some of PIDWA section 42 and made some small but significant changes to a response in Section 2 of the Phase 2 discussion document concerning 'reprisals'. Please find attached the revised recommendation and the spreadsheet, noting my section 42 changes are in red text for ease of reference.

As before, I remain open to discussing or clarifying any of the revisions or comments within. Thank you once more for the opportunity to provide this feedback.

Kind regards,
